The important thing that unlocks the sales potential of your book is to discover a single sentence that turns into your promoting handle. This sentence states what query or downside your ebook answers and the advantages your e-book can provide. Then you'll want to use that sentence in each

piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum price is.
