An effective approach for figuring out a worth is to ship out a survey to your current customers. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is strictly the identical on

every web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.
