Start on the highest worth the market will bear to usher in the largest income, and plan to discount the e-book a number of times all through the year.

## Marketing Methods

The important thing that unlocks the sales potential of your ebook is to find a single sentence that turns into your selling handle. An efficient approach for determining a worth is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new e book, but do not embody a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is precisely the similar on each page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a new technique, your guide will usher in each visitors and profits.
