Do this by making a gross sales page for the brand new e-book, however don't embrace a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make certain your sales copy is precisely the identical on each web

page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.
