An effective method for determining a value is to send out a survey to your current customers. If these clients have already purchased an book from you, ask for his or her opinion by way of price. Do that by creating a gross sales page for the brand new e book, but don't embody a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is strictly the same on each web

page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.

Ultimately, for those who've written a guide that solves a problem or presents a new approach, your book will bring in both visitors and profits. So you should definitely write that selling-deal with sentence that sums up what problem your e-book solves and what the advantages of your 1339 e-book will be to the shoppers who buy it.
