An effective technique for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the brand new e-book, but do not embody a value on that page. One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make sure your sales copy is strictly the same on every web page, and

contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum value is.
