If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new guide, but don't embrace a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with different prices on every page. Make sure that your sales copy is exactly the same on every web page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum price is.
