Do that by creating a gross sales page for the new ebook, however don't include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is precisely the identical on every

web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.

Finally, when you've written a book that solves a problem or presents a brand new approach, your book will usher in each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your 242 guide will probably be to the shoppers who purchase it.
