An effective approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new book, but do not embrace a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the identical on each page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum worth is.

Ultimately, for those who've written a ebook that solves a drawback or presents a new method, your e book will herald each traffic and profits.
