An effective method for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion by way of price. One other technique is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is exactly the same on every web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum worth is.

Finally, in the event you've written a ebook that solves a drawback or presents a brand new

technique, your guide will usher in both site visitors and profits. So you'll want to write that selling-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 2506 e book will be to the customers who buy it. After which watch your market come to you!
