If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new guide, however don't include a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is strictly the

similar on every page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum value is.
