An effective method for determining a worth is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e book, however do not embrace a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is exactly the same on

each page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.

Ultimately, in case you've written a e book that solves a drawback or presents a brand new approach, your book will usher in both traffic and profits.
