One other technique is to check out costs by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is strictly the identical on each

web page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum price is.

Finally, in case you've written a e-book that solves a problem or presents a brand new method, your e-book will usher in each traffic and profits.
