Do this by making a sales web page for the new e book, however do not embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is exactly the same on each web

page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.

In the end, when you've written a e-book that solves a downside or presents a new method, your ebook will bring in each site visitors and profits.
