The important thing that unlocks the sales potential of your ebook is to discover a single sentence that turns into your selling handle. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Be certain that your gross sales copy is precisely the similar

on every page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum value is.

Finally, when you've written a guide that solves a drawback or presents a new method, your guide will usher in each traffic and profits.
