Another strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is exactly the same on each web page, and

contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a e-book that solves a drawback or presents a new method, your ebook will herald each traffic and profits.
